## **FOR IMMEDIATE RELEASE: Client Artwork Exhibit at Progressive to Benefit Stepstone Academy**

*(November 2015, Cleveland)* We are pleased to announce that client artwork from Stepstone Academy and their parent organization, OhioGuidestone, will be displayed at Progressive's "Art of Giving" exhibit from November 19, 2015 - January 19, 2016. During the two month exhibition, housed at 6300 Wilson Mills Road in Mayfield Village, Ohio, art work will be available for purchase by Progressive employees and other attendees, and proceeds will benefit Stepstone Academy.

"We are thrilled to have this opportunity to showcase our young clients' talent and raise funds for our charter school, Stepstone Academy," says Cindy Naegele, Vice President of Advancement. "We are grateful to Progressive for their loyal support of our organization, dedication to young artists and desire to foster the love of learning in our community's youth."

Stepstone Academy is a high performing charter school located in the Central Neighborhood of Cleveland. We are one of the first charter schools in the United States to integrate an aspirational, no-excuses culture with a wide array of learning tools for children and families. Our rigorous curriculum focuses on inspiration, citizenship, character development and competence in reading and math. Our school is free to attend, and we offer free breakfast and lunch daily. Currently, we serve children in kindergarten - fourth grade, and we will add a grade a year until we reach K-8.
